President

International ICT Application Research Society (IIARS)

Dear **President Yamashita**,

I am writing in response to your letter regarding the University of the Philippines Visayas (with campuses in Miagao, Iloilo City, and Pandan, Antique) as a potential venue for the 4th International IAR Conference. We are pleased to inform you that your request to host the event, tentatively scheduled for February 25-28, 2026, has been approved.

To facilitate the necessary preparations, a local organizing committee has been established to coordinate with IIARS. The committee is co-chaired by Prof. Pepito Fernandez (Dean, College of Arts and Sciences, prfernandez@up.edu.ph) and Asst. Prof. Kent Christian Castor (Chair, Division of Physical Sciences and Mathematics, College of Arts and Sciences, kacastor@up.edu.ph). Please feel free to reach out to them for any support you may need.

We look forward to welcoming you to UP Visayas in Iloilo, Philippines.

Sincerely,

CLEMENT C. CAMPOSANO, Ph.D.
Chancellor
